

"Alzheimer's creates a kind of friction that the family needs to be strong for. You have to hold onto things and know what is true in life." - Candy Crowley

### **From Our Spiritual Care Team:**

*But those who hope in the Lord will renew their strength. They will soar on eagle's wings, they will run and not grow weary, they will walk and not be faint (Isaiah 40.31).*

September is a month of new beginnings and remembering those who have gone before. Summer is over, kids are going back to school, the State fair is here, Labor Day, Patriots Day and Grandparent's Day, are all signs of a change in season. Here is a scripture to consider as you transition into this new month.

*For I know the plans I have for you says the Lord. Plans to prosper you and not harm you. Plans to give you a hope and a future (Jeremiah 29.11)*

That's a promise from God, directed towards you and me. It's not a political campaign promise, it's not lottery ticket with a 1 in 58,000 chances of winning. God has given us His Word. Let us trust in the promises of God. Others may have well-meaning intentions, but only God knows our needs. from the beginning of our life to the last day.

Jesus Christ, Son of God, please walk with us on this journey.

Blessings,

Pastor Sandy Moldenhauer

VICKTORIA SULLIVAN

Vicktoria is one of five children born to Wally and Helen Bodarczuk. Growing up she took on a lot of responsibility around the home helping care for her younger siblings. Some of her other hobbies include puzzles, entertaining, volunteering, and she was a long standing member of a women's golf league. One thing Vicktoria found special was her travels, especially back to Munich Germany where she was born. Around Prelude Vicktoria is known for her quiet independence and her fun loving smile. Arnie came to us in Spring 2022, and has quite an exciting life history!

Arnie grew up in a large German-Catholic family and continued to show commitment to his faith throughout his entire life. Arnie's main place of worship was St. Pascal's in Saint Paul, MN. Being anointed by his priest was a very important moment in Arnie's relationship with his faith.

Not only did Arnie take pride in the involvement with his church, but he was also a socialite who loved to spend time with his family and large circle of friends. Arnie acquired his large group of friends through many of the groups, sports, his job and hobbies he was involved in!

Arnie worked as a brewer at Schmidt Brewery in Saint Paul, and was a long-time member of the St. Paul Ski Club, where he practiced ski jumping! Arnie was also an excellent gardener and yard worker, earning a place as a member of the Gardening Hall of Fame.

Not only did Arnie love doing physical activities like skiing and gardening, but he also enjoyed being a coin collector as well as a vintage car enthusiast. Arnie also loved listening to fifties music as well as old time polkas and waltzes.

After Arnie's exciting years as a ski-jumper, brewer, and gardener, he enjoyed his retirement with his dedicated wife, Judy. He is surrounded by supportive family members including his three children, grandchildren, sister, and wife.

Thank You Arnie for being our September 2022 Spotlight!
